Keene Sentinel Spotlight

The FIRST Pizza Palace was opened in downtown Keene, by our mom and dad, Eleni and George, in 1979. We, Sylvia, and my brother Larry, started helping in the kitchen as soon as we were old enough to stand on chairs and see over the counters. Since then our family has been in the food business in various cities across New England. In 2004 we settled in Bellows Falls at what many people from the area remember as Rita's Diner. We've been in this location for more than 12 years and we can't think of a better place to do business. We love when our customers share their memories of dining at Rita's with their friends and family. We hope you feel the same warmth when you step into Pizza Palace.

Don't be alarmed when you hear us talking in our Native Greek tongue when you're in the dining room. We are a united family unit with a spirited cultural background. When you enter Pizza Palace, Mama Eleni will greet you and your family. We make our food fresh with generous portions and our Dad still makes his savory homemade pizza and marina sauces from scratch. We welcome you, your friends and family to visit us anytime and enjoy our delicious pizza, calzones, grinders and more!

As Mama Eleni says, You Gonna Love It!!!
